

STEAMFITTERS LOCAL UNION 420

JAMES SNELL
Business Manager

KEVIN HEFFERNAN
Financial Secretary/Treasurer

August 14, 2020

State Representative Jen O'Mara understands what hard-working Delaware County residents deserve. She is constantly advocating for fair wages, retirement security, health care and protection on the job. She recognizes the need for unions and understands the importance of investing in the American workforce and creating quality employment opportunities right here in our community.

We are proud to stand with St. Representative O'Mara and pledge our full support for the general election on November 3rd.

Sincerely,

Jim Snell
